GOAT SECTION

Affiliated to the British Goat Society - OPEN CLASSES

Judging commences at 10 am

Secretary: Mrs Stacey Archer

Stewards: Mrs Christine Woodward & Mrs Joanne Smith

Judge:

The Goat Classes are held under the Rules, Regulation and Recognition of the British Goat Society. All exhibits must be registered with the British Goat Society as in the ownership and in the name of the exhibitor, the registered name, number and identification mark being quoted on the entry form plus the kidding date for goats in milk. No entries will be accepted unless CAE blood test results are on the BGS submission forms or Premium Sheep and Goat Health Scheme forms. This is to enable quick and accurate confirmation of the goats attending a show. Entries for all kids must be accompanied by the necessary valid certificate for their dams.

Goats must have kidded a minimum of 30 days prior to the show. No pregnant goat may be admitted to the showground. In the event of an unforeseen kidding or abortion the goat must be immediately isolated from other goats. Full details of the goat, exhibitor and action taken must be reported in writing by the Chief Steward to the BGS Secretary immediately after the show. Exhibitors are advised that milk produced at the show should not be fed to goats of any age as this appears to have been a factor in the spread of CAE in the past. Entries will be restricted to goats from herds that are WHOLE HERD NEGATIVE CAE TESTED within the 12 months prior to the show. Whole herd negative tested means an entire herd in which all animals over 1 year old hold a current negative CAE test certificate, and all kids must be the progeny of a CAE negative tested dam. If any herds have had a positive CAE result they must provide two clear whole herd tests, completed since the reactor has been culled. The tests must be not more than 12 months apart and not less than 6 months apart

Goats in milk must be on the Showground by 5.30 p.m. on Friday 15th August 2025 for milking out at 6.30 p.m. Please do not arrive before 2pm.

Goatlings and kids must be on the Showground by 8.30 a.m. on Saturday 16th August 2025.

PENNING - please indicate on your entry form which category is required to enable the correct penning to be provided.

ENTRIES CAN ONLY BE ACCEPTED FROM WHOLE HERD TESTED HERDS AND MUST BE ON THE OFFICIAL BGS CAE FORMS - FAILURE TO DO SO WILL RESULT IN YOUR ENTRY BEING RETURNED

Exhibitors are requested not to bring to the Showground any goats that have ever had a positive reaction to CAE test.

6. Any member of the Society or Exhibitor wishing to lodge a protest in respect of any animal exhibited or any breach of the society's regulations must do so in person and in writing by 3pm on Showday, before any animals are allowed to leave and obtain a written acknowledgement from the Secretary by this time. A deposit of £5 shall at the same time be paid which will be forfeited to the Society if on investigation the protest is not sustained. This rule does not debar the council from taking action in respect of any irregularities which may come to its knowledge at any time.
7. No person who is proven to the satisfaction of Council to have been excluded from competing for prizes or attempted to obtain a prize by a false certificate or other unfair means at the Exhibition of a Society and no person who is known or proved to be under suspension from any Society for fraudulent practices shall be allowed to exhibit at the Show. Any animal not being bona-fide sold will automatically be disqualified.

disease whilst on the showground and, in addition, the exhibitor shall pay all costs and expenses incurred by the Society in connection with any such claim.

The Society's Veterinary Officers are authorised to refuse permission for any animal or bird to be admitted to, or to have removed from, the Showground any animals affected with contagious or infectious disease, or any deemed not fit to show. Concealment of disease will render the Exhibitor liable to disqualification. Exhibitors should not bring any diseased or ill animal or bird onto the Show premises, and if under any circumstances this regulation be violated, the exhibitor of the animal or bird will be solely responsible for any claims that may arise for damage or loss to other exhibitors or any other persons, and the Society holds itself free from liability in such cases. Should any animal or bird manifest symptoms of disease or illness during the Show, it must be reported to the Chief Steward of the relevant Section immediately.

The Society has an appointed veterinary surgeon and their role is to deal with requests from judges, stewards and other Society officials and to attend to emergencies that may arise. It is a condition of entry that these veterinary surgeons may on their own authority give to any animal such emergency treatment as they may consider appropriate in the event that the owner or their representative cannot immediately be found. Exhibitors will be required to pay any such veterinary surgeon for the full cost of the treatment administered whether in an emergency as above or if such treatment is requested.

The exhibitor of such animal may obtain a certificate from the Veterinary Officer, stating the nature of such disease or infection.
